**CHAPTER 7
Jointly Administered**

**ORDER ON TRUSTEE'S FIRST OMNIBUS REPORT OF CLAIMS, OBJECTIONS TO
CLAIMS AND RECOMMENDATIONS AS TO TSI HOLDINGS, LLC,
WSC HOLDINGS, LLC, SOUTHPARK PARTNERS, LLC
AND SHARON ROAD PROPERTIES, LLC**

This matter came before the Court on December 11, 2017, January 24, 2018 and February 5, 2018 on the *Trustee's First Omnibus Report of Claims, Objections to Claims and Recommendations Regarding Claims as to TSI Holdings, LLC, WSC Holdings, LLC, SouthPark Partners, LLC and Sharon Road Properties, LLC* (the "Claims Report") filed on November 1, 2017, by Joseph W. Grier, III, the trustee in the above-referenced cases (the "Trustee"), through counsel (D.E. 112) and *Trustee's Memorandum of Law in Support of Claims Report* (D.E. 153).

It appears that notice of the Claims Report was proper and responses were filed by the following claimants: Tobitha Deese (D.E. 118), Robert B. and April M. Frazer (D.E. 119), Andrew Peterson (D.E. 121), Adam Goulet (D.E. 122), Evelyn L. Robinson (D.E. 123), James Burt (D.E. 125), Stone Street Partners, LLC, Paul Porter and Dawn King (D.E. 126, also filed in related cases), Michael Salamone (D.E. 127), Ralph Cochrane (D.E. 128), James D. Javaras (D.E. 129), Nancy N. Javaras (D.E. 130), John K. Kelly (D.E. 132), and Brian Spiers (D.E. 60 in Sharon Road Properties, LLC) (collectively, the “Responses”). This Order supplements previous Orders entered on the Claims Report in these cases.

The Court—based upon (i) a review of the record and (ii) the presentations and arguments of counsel made, and evidence presented, at the hearings—finds and concludes as follows:

1. On January 27, 2017, an involuntary bankruptcy petition (D.E. 1) pursuant to chapter 7 of the United States Bankruptcy Code, 11 U.S.C. §§ 101 *et seq.*, was filed against TSI Holdings, LLC (“TSI”), initiating this case (this “Case”). On February 2, 2017, an emergency hearing was held on the petitioning creditors’ emergency motion to appoint an interim trustee for the Debtor in this Case (D.E. 5) (the “Trustee Motion”). On February 8, 2017, the Trustee Motion was granted (D.E. 17), appointing the Trustee. The *Order For Relief* (D.E. 32) was entered on February 22, 2017.
2. Similar involuntary petitions and motions were filed against WSC Holdings, LLC (“WSC”), SouthPark Partners, LLC (“SPP”) and Sharon Road Properties, LLC (“SRP”), the Trustee was appointed and orders for relief were entered in each case.
3. These four cases are being jointly administered by order entered on May 23, 2017 (D.E. 63).

4. Evidence previously presented to the Court, including an affidavit of Timothy Darin Stutheit, a Special Agent with the Federal Bureau of Investigation, is that Richard Siskey (“R. Siskey”), prior to his death on December 28, 2017, operated the Debtors as a Ponzi scheme (D.E. 5).

5. A Ponzi scheme generally involves a fictitious investment whereby funds paid in by later investors are used to pay returns of earlier investors. Elements of a Ponzi scheme are: “... (1) deposits were made by investors, (2) debtor conducted little or no legitimate business operations as represented to investors, (3) debtor’s purported business operation produced little or no profits or earnings, and (4) source of payments to investors was cash infused by new investors.” *Ivey v. Swofford (In re Whitley)*, 463 B.R. 775, 782 (Bankr. M.D.N.C. 2012).

6. Despite the fact that assets in these cases have not yet been fully collected or liquidated, it is appropriate to immediately determine base claims to assist the Trustee in administering these cases. Thus, the Responses filed as to the Claims Report suggesting that claims be determined after assets are liquidated are overruled.

Sharon Road Properties, LLC

7. The evidence presented supports the conclusion that SRP is an ongoing business enterprise and was not operated as a Ponzi scheme. SRP owns a 32.55% interest in Bissell Porter Siskey, LLC (“BPS”), which in turn owns the commercial building located at 4521 Sharon Road, Charlotte, North Carolina. The operations of the commercial building have always been managed by BPS and not by R. Siskey. The records of SRP reflect membership interests held by its investors which total 100%. The owners of SRP historically received rental income generated by the commercial building and I.R.S. K-1 tax forms which were prepared and distributed to members annually pursuant to their respective equity interests. The financial records of SRP

were maintained separate and apart from the other Debtors in these cases. SRP is not part of a Ponzi scheme.

8. Upon liquidation of the assets of SRP, the Trustee shall distribute such assets first to satisfy any outstanding SRP administrative expenses and then pursuant to the equity interests in SRP set forth in Exhibit E attached hereto.

9. The Responses filed by Mr. Peterson (D.E. 121) and Mr. Kelly (D.E. 132) are therefore overruled; their respective equity interests in SRP are as set forth in the attached Exhibit E.

TSI Holdings, LLC, WSC Holdings, LLC and SouthPark Partners, LLC

10. The evidence presented supports the conclusion that TSI, WSC, and SPP were operated as a Ponzi Scheme.

11. The “Net Investment” methodology for determining claims, which is a method that has been used by the Federal Court in this District as well as by the majority of bankruptcy courts in Chapter 7 cases winding down Ponzi schemes, shall be used to determine base claims (“Base Claims”) in the TSI, WSC and SPP cases.

12. The Net Investment Method credits the amount of cash actually deposited by a claimant into an account with the debtor and then subtracts any amounts actually withdrawn as return of principal, profits or interest. This methodology disregards false profits and limits claimants to those who have deposited more than they have withdrawn.

13. Use of the Net Investment Method to determine claims herein is the most equitable method to determine the Base Claims in this Ponzi scheme case and serves public policy.

14. The Base Claims notated as “Allowed” on the attached Exhibit A - TSI, Exhibit B - WSC and Exhibit C -SPP are allowed.

15. The Responses of Tobitha Deese (“Deese”) (D.E. 118) and Michael Salamone (“Salamone”) (D.E. 127) are overruled as it would be inequitable to rely upon false papers, including written promissory notes, to afford different treatment for claimants in a Ponzi scheme, *See Janvey v. Brown*, 767 F.3d 430 (5th Cir. 2014). Base Claims of Deese and Salamone are as set forth in the attached Exhibits.

16. The Responses of Robert B. and April M. Frazer (D.E. 119) and Adam Goulet (D.E. 122) are overruled at this juncture; their Base Claims are as set forth in the Exhibits attached hereto.

17. The Court reserves ruling on establishing claims over and above Base Claims for investors until such time that such determination becomes necessary. This determination would only occur in the event that Base Claims are paid in full. This order is without prejudice to the Responses filed by Stone Street Partners, Dawn E. King and Paul Porter (D.E. 126, also filed in related cases).

18. The Responses of James D. Javaras (D.E. 129) and Nancy N. Javaras (D.E. 130) are overruled; their claims are disallowed as set forth on the attached Exhibits.

19. The Response of Evelyn L. Robinson (D.E. 123) is overruled; her Base Claims are as set forth in the Exhibits attached hereto or as set forth in Paragraphs 21-25 below.

20. The Responses of James Burt (D.E. 125), Ralph Cochrane (D.E. 128) and Brian Spiers (D.E. 60 in Sharon Road Properties, LLC) are overruled except as set forth in Paragraphs 21-25 below.

Sharon Road Properties, LLC Outside Investors and Premier Fund Claimants

21. Claimants labeled as Sharon Road Properties, LLC Outside Investors appear on Exhibit D attached hereto (the “Outside Investors”).

22. Claimants whose initial investments were with the Premier Funds (as opposed to into one of the Debtors) are indicated on Exhibits C and D in the column labeled “Reason for Objection” (the “Premier Fund Claimants”).

23. It appears that funds transferred by the Outside Investors and the Premier Fund Claimants to R. Siskey were not deposited into one of the Debtors’ accounts despite the belief and understanding of these claimants. It appears that the funds transferred by the Outside Investors and the Premier Fund Claimants to R. Siskey were either deposited into a Premier One, LLC bank account, a Premier II, LLC bank account or into a bank account of R. Siskey individually.

24. Section 502 of the Bankruptcy Code only allows claims that are enforceable against a debtor or property of a debtor in bankruptcy. Premier One, LLC, Premier II, LLC and R. Siskey are not debtors before this Court.

25. Simultaneously herewith, the Court will enter an Order directing the Trustee to give notice to the Outside Investors and the Premier Fund Claimants of the opportunity to appear in Court to provide any evidence or argument which supports a valid enforceable claim against one of the bankruptcy debtors.

26. Consideration of the claims of the Outside Investors and Premier Fund Claimants is continued until March 12, 2018.

27. Entry of this Order is without prejudice as to claims filed in this case but not addressed herein.

SO ORDERED.

This Order has been signed electronically. The Judge's signature and Court's seal appear at the top of the Order.
